

## Saturday, May 8—Llama Magic Fiber Classes

**10:30 am-12:30 pm**    **Beginning Knitting**  
with Emily Tremain

Interested in learning to knit or need a refresher? Participants will learn the basics of knitting—including casting on, the knit stitch and the purl stitch—while they create a small project. Knitting needles and yarn will be provided by the instructor.

**Class Fee: \$20**                      **Materials Fee: \$15** (paid to instructor on day of class)

**1-2:30 pm**                      **Drop Spindle Spinning**  
with Terri Drimel, Roundabout Acres

Hand spindles have been used for hundreds of years and can be found in use throughout the world today. Their small size and portability allow yarn to be spun throughout the day while in the midst of other activities. Participants will learn how to attach a leader, draft on fiber and store spun yarn on the spindle.

**Class Fee: \$15**                      **Materials Fee: \$20** (paid to instructor, includes wooden drop spindle)

**2:30-4:30 pm**                      **Needle Felted Wall Hanging**  
with Paulette Hume, Mountain Dreams Farm

Participants will create a wall hanging by needle felting onto a pre-felted canvas. Using several colors of fiber, a lily design (or a bunch of grapes, your choice) will be “painted” onto the background using a felting needle and a foam pad behind the canvas.

**Class Fee: \$20**                      **Materials Fee: \$20** (paid to instructor, includes felting needle)

**1-4 pm**                              **Beaded Fantasy Bracelet**  
with Kaitlyn Carothers

Participants will create a beaded fiber bracelet by needle felting a band, crocheting a chain stitch with yarn and then weaving the needle felted piece with silver colored wire and attaching unique colored beads to create their own original jewelry designs. Please bring a pair of needle nosed pliers.

**Class fee \$25**                      **Materials Fee: \$20** (paid to instructor on day of class)
