

## Llama Magic Registration 2012

### Llama Magic Owners and Vendors,

We invite you to participate in the 18<sup>th</sup> annual Llama Magic, May 12-13, at the Washington County Fairgrounds in Lake Elmo, Minnesota. We are holding Llama Magic on Mother's Day weekend along with Shepherd's Harvest so we can continue to benefit from our combined presence. Last year we attracted nearly 6,000 people to the fairgrounds over the weekend. Llama Magic will be open to the public from 10 a.m. to 5 p.m. each day. We offer 9 x 9 stalls with no more than two llamas or three alpacas per stall (unless youngsters). We also offer 10 x 10 vendor spaces.

Reservations are taken on a first come first served basis, so get your reservations in as soon as possible (see form below) especially if you want sale animals' photos included on the website. A late fee will be charged after April 27. Because this is Mother's Day weekend and we attract a large metro area crowd, it's an ideal spot for all sorts of crafts, gifts, etc., in addition to fiber products—so tell all your friends who have something to sell. Fiber lovers also are out in full force looking for everything from raw fleeces, roving and batts to yarn and finished products.

This year we are offering a special llama cart driving clinic all day Saturday with Dan Whittaker of Dawn to Dusk Llamas. He has been raising llamas since 1994 and began driving llamas in 1997. He has presented many driving clinics and also makes and sells llama carts that have been ordered from as far away as Kuwait. Whether you have a driving llama prospect or not, this is a great opportunity to learn the basics of cart driving and what to look for in a cart driving llama. Details on the clinic are on the Class Schedule page of our website. Class size is limited.

Youth and new and prospective owners are always a major focus for Llama Magic. Besides the driving clinic, we will also offer other llama and fiber related classes and workshops. A complete listing will be posted on the website's Class Schedule page as clinics and classes are finalized. Llama Magic's Show-Off Show on Sunday will include obstacle and showmanship classes this year. Complete details and registration forms will be posted on the website's Show Page as details are finalized. Download entry forms from Llama Magic's Fleece Contest page for this year's competition. It's our 15<sup>th</sup> annual fleece contest, and you can enter fleeces from either 2011 or 2012's shearing.

Shearing services will be available at Llama Magic. If possible, let Sheila Fugina know ahead of time if you would like any animals sheared ([bsfugina@pressenter.com](mailto:bsfugina@pressenter.com)).

**Health Papers:** Llamas and alpacas entering Minnesota from another state are required to have a Certificate of Veterinary Inspection (CVI). Please make two copies of the CVI so you can give one to the vet on duty at Magic and one copy to Sheila. If you have questions about this requirement, contact Sheila at 715-246-5837 or her email address above.
