

## Llama Magic Show-Off Show 2011

Dear Llama Owners,

We have designed a show in which everyone can participate. The show is for fun and to educate the public about the diversity of these wonderful animals. Our main emphasis is youth, 4-H, FFA and novice adults. Also note the minimum age is 8 years old.

This year's show will be a performance show only. We will have three grade classes in obstacle and Public relation. Novice adults are invited to compete in the '9<sup>th</sup> +' class. Ribbons will be given up to seventh place and participation ribbon beyond seventh place.

For handlers who did not sign up for the morning training course with Marc Page the entry fee will be \$10.00 per person. The handler may go through the course with different animals multiple times within their grade class. Alpacas are welcome too.

The theme of the show will be a nature trail. Be prepared for wet obstacles. The obstacles will be some of the same obstacles you will confront at your county and state fair shows. Our reasoning for going performance only is our Judge is an expert at performance trials. He will be judging the show and be giving handler tips throughout the day. The day should be very educational to all involved. The judge is Marc Page. He will be giving a llama behavior training clinic on Saturday. Registrations for his clinics are posted on the Llama Magic web site [www.llamamagic.com](http://www.llamamagic.com).

The show will start at 12:30 pm following the morning clinic. The animals need not be registered. No stalling is required for show participation. But if you would like a stall for the weekend, see the Llama Magic registration form on the home page. Working out of your trailer for the day is acceptable.

We keep the entries fees low to encourage participation. This show is for breaking the ice for showing and brushing up on the skills you already have, or matching lamas to handler for 4-H or FFA.

Class 1 Youth Grade 3-5 performance/Public Relations combined (14 obstacles+)

Class2 Youth Grade 6-8 performance/Public Relations combined (14 obstacles+)

Class3 Youth Grade 9+ and Novice adults performance/Public Relations combined (14 obstacles+)

*Note: Courses will be changed for each age group. Difficulty level will be determined as the day is evaluated of the experience level of handlers participating.*

Show Superintendent, Dan Whittaker
